

COMMITMENT PLEDGE:

I hereby agree to abide by the responsibilities specified in the **I AM 4 MARYLAND COMMITMENT to the UMD COMMUNITY** and to practice throughout the fall semester all of the safety measures it describes. I understand that following these measures is critical to the safe operation of the campus and to life in the surrounding community, my own safety and the safety of others, and that failing to do so jeopardizes the community and my opportunity to remain at the University of Maryland.
